Subject: DEST Employee Survey 2005

Dear DEST Employee,

You have been randomly selected to participate in the fourth pulse of the DEST Staff Survey.

This survey is designed to give you an opportunity to say how well you think DEST is performing on a range of issues. The survey will take approximately 30 minutes to complete and your response will remain anonymous and confidential. More information about confidentiality is available on the website (see link below).

Your opinions are valued and will help DEST make working life rewarding and successful in both a personal and business sense.

For security reasons you will be asked for a username name and password, please use the following:

username = 4392
password = wyrojard

Your username consists of all numeric characters. Please be sure to enter your password in lowercase as it appears above. You can log in to the survey by simply double clicking on the following address:

<http://dest.websurvey.net.au/>

Because this is an external web site you can access it from anywhere that you have Internet access. It does not need to be completed through the DEST IT system.

Please complete and submit this survey online by Tuesday 31 May 2005.

If you choose to complete the survey, you will be eligible to enter the draw for a prize of a \$100 gift voucher at Myer. To be part of the draw fill out the survey online and print off your electronic receipt (or if you choose to fill out a paper survey, remove the last page). Write your name and a contact phone number on the receipt and return it to Evelyn Cooney at location 752.

Should you have any queries please contact Gai Smith or Jamie Sims from Right Management Consultants on 02 8925 5325.
